If you vote by telephone or Internet, it is not necessary to return your proxy card. See "Voting Via the Internet or By Telephone" on page 4 of the Proxy Statement, or the instructions on the proxy card, for further details. Please note that there are separate Internet and telephone voting arrangements depending upon whether your shares are registered in your name or in the name of a broker or bank.

A Shareholder who returns the accompanying proxy may revoke it at any time before it is voted by giving notice in writing to the Company, by granting a subsequent proxy or by appearing in person and voting at the meeting. Any Shareholder attending the Annual Meeting and entitled to vote may vote in person whether or not said Shareholder has previously submitted a proxy. IMPORTANT VOTING INFORMATION

Abstentions and Broker Non-Votes. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business. Abstentions occur when shareholders are present at the Annual Meeting but choose to withhold their vote for any of the matters upon which the shareholders are voting. "Broker non-votes" occur when other holders of record (such as banks and brokers) that hold shares on behalf of beneficial owners do not receive voting instructions from the beneficial owners before the Annual Meeting, and do not have discretionary authority to vote those shares if they do not receive timely instructions from the beneficial owners. At the Annual Meeting, brokers will not have discretionary authority to vote on Proposal No. 1, Nomination And Election Of Directors, in the absence of timely instructions for the beneficial owners; however brokers will have discretionary authority to vote on Proposal No. 2, Approval Of Appointment Of Auditors. As a consequence, there will be no broker non-votes with regard to Proposal No. 2.

You may vote "FOR" or "WITHHOLD AUTHORITY" for each director nominee. If you vote "WITHHOLD AUTHORITY," your vote will be counted for purposes of determining the presence of a quorum. You may vote "FOR", "AGAINST" OR "ABSTAIN" on the Company's proposal to ratify the selection of our independent registered public accounting firm.

VOTING

The Company, as provided in and by its Certificate of Incorporation, has two authorized classes of common stock, denominated Common Stock and Class A Common Stock, and one authorized class of preferred stock, denominated Preferred Stock.

As of July 1, 2011, the record date for the Annual Meeting, there were 6,086,740 shares of Common Stock and 967,702 shares of Class A Common Stock outstanding. There are no outstanding shares of Preferred Stock.

Holders of Common Stock and holders of Class A Common Stock are entitled to one vote for each share of stock held, and the voting and other rights of each class are equivalent, except in respect to the election of directors. The Class A Common Stock shareholders have the right to elect four directors and the Common Stock shareholders have the right to elect three directors.

A quorum, counting proxies and shares represented in person, is necessary to the voting upon proposals proposed by management, and other business that may properly come before the Annual Meeting. Fifty percent (50%) of the outstanding shares of Common Stock is a quorum for the election of directors to be elected by the holders of Common Stock, and fifty percent (50%) of the outstanding shares of Class A Common Stock is a quorum for the election of directors to be elected by holders of Class A Common Stock. For matters on which the shareholders vote together as a single class, fifty percent (50%) of all outstanding shares constitutes a quorum.

Election of directors is by a plurality vote of the respective class. Ratification of the appointment of the Company's independent certified public accountants requires a majority of the votes cast on the matter.

Voting Via the Internet or By Telephone:

Please note that there are separate Internet and telephone voting arrangements depending upon whether your shares are registered in your name or in the name of a bank or broker. Shareholders voting via the Internet should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies that must be borne by such Shareholder utilizing such services.

Shares Registered Directly in the Name of the Shareholder:

Shareholders with shares of Common Stock registered directly with the Company's transfer agent, American Stock Transfer & Trust Company ("AmStock"), may vote telephonically by calling 1-800-PROXIES (1-800-776-9437) on a touch tone telephone, or via the Internet at AmStock's voting site on the World Wide Web (www.voteproxy.com). A Control Number located on the proxy card will be utilized to verify your identity, allow you to vote your shares of Common Stock, and confirm that your voting instructions have been properly recorded.

Shares Registered in the Name of a Brokerage Firm or Bank

A number of brokerage firms and banks are participating in a program that also offers telephone and Internet voting options. This program is likely different from the program provided by AmStock for the Company's shares of Common Stock registered in the name of the Shareholder. If your shares are held in an account at a brokerage firm or bank which participates in an electronic voting program, you may vote those shares telephonically or via the Internet by following the instructions provided on your proxy card.

Employment Agreements

David Edell and Ira W. Berman

The Company had executed Employment Contracts on December 1, 1993, with its former Chief Executive Officer, David Edell, and its former Corporate Secretary, Ira W. Berman. The contracts for both are exactly the same. Employment under the contracts expired on December 31, 2010, and Mr. Edell and Mr. Berman (the "Consultants") became consultants for an ensuing five years in accordance with the provisions of the contract. Under the terms of the employment contract, the Company can request that the Consultants each provide consulting services for not more than sixty days per year. For the consulting services provided, the Consultants shall be paid consideration equal to 50% of their annual base salary plus bonus that they received in 2010. The Employment Contracts provide that the consulting payments will increase six (6%) percent for each successive year of the consulting term. The Consultants are also entitled to all benefits that they had previously received as employees for the duration of the consulting term. Mr. Berman remains as Chairman of the Board and director (until the Annual Meeting at which time he will not be standing for re-election), and Mr. Edell remains as a director of the Company. During the employment period, the contracts had provided for a base salary which commenced in 1994 in the amount of \$300,000 (plus a bonus of 20% of the base salary), with a year-to-year CPI of 6% increase, plus 2.5% of the Company's pre-tax income plus depreciation and amortization plus certain fringe benefits including the cost of auto expenses, and health insurance. The Consultants were also entitled to reimbursement for a complete physical examination and reimbursement of up to \$5,000 of medical expenses for each employment or consulting period. The Company also pays for a life insurance policy owned by each of the Consultants, with a face value of \$750,000 for each policy, as per each respective employment agreement. During fiscal 2010, the Company paid premiums totaling \$55,993 for both policies. The 2.5% measure in the bonus provision of the Consultant's contracts was amended on November 3, 1998 so as to calculate it against earnings before income taxes, plus depreciation, amortization and expenditures for media and cooperative advertising in excess of \$8,000,000. On May 24, 2001, the contract was amended increasing the base salary then in effect by \$100,000 per annum.

On March 15, 2011, the compensation committee of the board of directors, acting on behalf of the Company, entered into a Change of Control Agreement (together, the "COC Agreements") with each of the Consultants. The COC Agreements contained identical terms and conditions to each other and provide that, in the event of a Change of Control of the Company, each of the Consultants is entitled to cease performing consulting services under his respective Employment/Consulting Agreement, and is entitled to certain payments from the Company, including a lump sum payment of all fees under the Employment/Consulting Agreement from the date of occurrence of the Change of Control through the end of the original term of that Employment/Consulting Agreement. In addition, upon on Change of Control, all of the Consultants' unvested awards under the Company's equity-based compensation plans, if any, automatically vest in full. Under the COC Agreements, each Consultant has agreed to a non-competition and non-solicitation restriction for two years, during which two-year period the Consultant is entitled to continued coverage under the Company's group health, dental, long-term disability and life insurance plans. The foregoing summary of the COC Agreements are qualified in their entirety by the full text of the COC Agreements, copies of which may be found in Form 8-K, filed by the Company with the United States Securities and Exchange Commission on March 17, 2011.

Mr. Edell has also agreed to confidentiality and non-solicitation restrictions under the Employment Agreement.

As a result of the execution of the Employment Agreements referred to above, the Amended and Restated Employment Agreement, by and between Mr. Dunnan D. Edell and the Company, effective as of December 1, 2002 and amended on February 10, 2007 and May 17, 2007, has been terminated.

CORPORATE GOVERNANCE

Board Leadership Structure

The Chairman of the Board of Directors is Ira W. Berman (who has decided to not stand for re-election and will become Chairman Emeritus at the Annual Meeting), and the President and Chief Executive Officer of the Company is Dunnan D. Edell, who also serves as a director. Drew Edell serves as Corporate Secretary. There is no lead independent director, however, Robert Lage, an independent director, serves as Chairman of the Audit and Compensation Committees. The Company has had separate positions of Chairman of the Board and Chief Executive Officer since its inception.

The Board of Directors consists of seven members, four of whom are independent. Members of the Board of Directors are kept informed of the Company's operations by reviewing materials provided to them, visiting the Company's offices, speaking to the executives of the Company and by attending meetings of the board and its committees. A meeting is held at least once per year with only the independent directors in attendance.

The Board of Director's leadership is designed so that the independent directors exercise oversight over the Company's key issues related to strategy and risk. A detailed annual budget is presented and approved by the directors, including plans for media expenditures. Revised forecasts for the fiscal year are presented to the directors as circumstances dictate.

Risk Oversight

The Company does not have a risk management committee. Risk oversight is performed by the entire Board of Directors. The Board considers risk levels in various areas of operation of the Company, including, but not limited to, legal and litigation issues, investments in marketable securities, accounts receivable and inventory levels, returns of product, and proposed new products. Robert Lage, the Chairman of the Audit Committee, is in regular communication with Stephen A. Heit, the Company's Chief Financial Officer, reviewing the Company's internal controls, compliance with the Sarbanes-Oxley Act, the Company's financial results and compliance with the Company's Standard of Business Conduct. All employees, including the executive officers, are required to comply with the Company's Standard of Business Conduct. A copy of the Standard of Business Conduct is available under Corporate Governance in the Investor Relations section of the Company website www.ccaindustries.com. The Board believes that the close oversight by members of the Board over the Company and its management provides effective risk management of the Company's operations.

Director Independence

Stanley Kreitman, Jack Polak (who will not be standing for re-election at the Annual Meeting), James Mastrian and Robert Lage are deemed by the Board of Directors to be "independent" members of the Board of Directors, as determined in accordance with Section 803(a) of the NYSE Amex stock exchange rules and by regulations of the SEC. Director nominees Sardar Biglari and Philip Cooley have also been deemed to be "independent" if they are elected to the Board of Directors.

There were no related party transactions that occurred between the Company and any of the independent directors, and accordingly there were no transactions, relationships or arrangements not disclosed under "Transactions with Related Persons" that were considered by the board under the applicable independence definitions in determining that the director is independent.

Board Meetings

During fiscal year 2010, the Board of Directors held four meetings, the Audit Committee held four meetings, the Compensation Committee held one meeting, the Nominating Committee held one meeting, and the Investment Committee held four meetings. All of the directors attended 100% of all of the meetings of the Board and at least 75% of the respective committees of the Board of which they were members.

It is the Audit Committee's responsibility to retain or terminate the Company's independent registered public accountants, who audit the Company's financial statements, and to prepare the Audit Committee report that the SEC requires to be included in the Company's Annual Proxy Statement. As part of its activities, the Audit Committee meets with the Company's independent registered public accountants at least annually to review the scope and results of the annual audit and quarterly to discuss the review of the quarterly financial results. In addition, the Audit Committee receives and considers the independent registered public accountants' comments and recommendations as to internal controls, accounting staff, management performance and auditing procedures. The Nominating Committee's responsibilities include, among other things, identifying individuals qualified to become Board members and recommending to the Board nominees to stand for election at any meeting of shareholders, and identifying and recommending nominees to fill any vacancy, however created, in the Board.

Nominees for director are selected on the basis of broad experience and diversity, which includes differences of viewpoint, professional experience, education, skill and other individual qualities. In addition, integrity, the ability to make independent analytical inquiries, an understanding of the Company's business environment with particular emphasis on consumer products and the Company's retail partners, and a willingness to devote adequate time to Board of Director duties are also considered. The Committee may consider candidates proposed by management or shareholders but is not required to do so. The Committee does not have any formal policy with regard to the consideration of any director candidates recommended by the security holders or any minimum qualifications or specific procedure for identifying and evaluating nominees for director as the Board does not believe that such a formalistic approach is necessary or appropriate at this time.

Shareholders may propose candidates for Board membership by writing to CCA Industries Inc., Attention: Nominating Committee, 200 Murray Hill Parkway, East Rutherford, NJ 07073 so that the nomination is received by the Company by April 6, 2012 to be considered for the 2012 Annual Meeting. Your letter or email should indicate that you are a shareholder of the Company. At each Board meeting, a member of management presents a summary of all communications received since the last meeting that were not forwarded and makes those communications available to any requesting director.

TRANSACTIONS WITH RELATED PERSONS

The Company's policy regarding transactions with related persons requires transactions with related persons to be reviewed and approved or ratified by the Company's Audit Committee as well as by the Company's Chief Executive Officer and Chief Financial Officer. In this regard, all such transactions are first discussed with the Chief Executive Officer and the Chief Financial Officer for an initial determination of whether such further related person transaction review is required. The Company utilizes the definition of related persons under applicable SEC rules, defined as any executive officer, director or nominee for director of the Company, any beneficial owner of more than 5% of the outstanding shares of the Company's common stock, or any immediate family member of any such person. The Audit Committee, in its discretion, may consult with third party appraisers, valuation advisors or brokers to make such determination.

The Committee reviewed and discussed the audited consolidated financial statements of the Company for fiscal year 2010 with management, who represented that the Company's consolidated financial statements for fiscal 2010 were prepared in accordance with U.S. generally accepted accounting principles. It discussed with KGS LLP, the Company's independent registered public accountants for fiscal 2010, those matters required to be reviewed pursuant to Statement of Accounting Standards No. 61 (Communication with Audit Committees), as amended by Statement of Accounting Standards No. 90 (Audit Committee Communications). The Committee has received from KGS LLP written independence disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and had a discussion with KGS LLP regarding their independence.

Based on the review of the representations of management, the discussions with management and the independent registered public accountants and the review of the Report of KGS LLP, Independent Registered Public Accounting Firm, to the Committee, the Audit Committee recommended to the Board that the financial statements of the Company for fiscal year 2010 as audited by KGS LLP be included in the Company's Annual Report on Form 10-K filed with the Securities and Exchange Commission.
